The Harmony Road Show, A Cappella Choir, and Student Quartets are available to perform for special events throughout Sylvania and the Toledo area during the school year.

The Harmony Road Show is a 16-person vocal jazz ensemble and performs jazz standards, pop-a cappella pieces, holiday music, showtunes, and novelty pieces.

The A Cappella Choir performs more “traditional” choral works and their repertoire spans the Renaissance and Medieval periods through 20th century music.

Student Quartets sing a variety of music ranging from typical barbershop fare to current top-40’s tunes. Northview Quartets have performed for community and corporate events.

A travel fee is usually charged for events where the students need to travel by bus.
